# Main Streets Revitalization Program 2020

The Roblin Community Development Corporation (CDC) and Roblin Economic Development Promotions (REDP) are pleased to offer funding to support local 'Main Streets Revitalization' projects.

Through this initiative the CDC and REDP will provide successful Applicants a combined total of \$3 matched per every \$1 of incurred expenses, up to a maximum grant contribution of \$3,000, on exterior renovation projects for buildings located on Roblin's 'Main Streets'.

As an example:

On an approved 'Main Streets Revitalization' project, the Roblin CDC will provide a 1.5-1 contribution to the project expense. Roblin Economic Development Promotions will also provide the project with a 1.5-1 contribution, giving the project Applicant a combined total matching grant contribution of 3-1 through the 'Main Streets Revitalization Program'. With a maximum program contribution on a \$5,000 project, the Applicant's expense would be \$2,000.

## GUIDE

### DESCRIPTION

**Main Streets Revitalization Program** provides financial support for exterior renovation projects initiated by local organizations, co-operatives and small businesses on Roblin's main streets. **The program aims to promote renovation projects which enhance the appeal and atmosphere of our downtown core area.** Projects may include building facelifts/upgrading, new signage, installations and landscaping enhancements which create character or reflects a community theme. Preference will be given to projects which:

1. Enhance the appearance of building exteriors through unique upgrades.
2. Support the advancement of community attraction or themes.

### WHO QUALIFIES?

Eligible applicants are **organizations, small businesses or co-operatives which are located on Roblin's Main St or 1 block North or South of Main St.**

### AVAILABLE ASSISTANCE

- The program will **reimburse 3-1 matching dollars** of total eligible project costs, **to a maximum of \$3,000.**
- Applications are assessed on a first come-first assessed basis.
- Program funds will be available until depleted or December 31, 2020; whichever comes first.

### ELIGIBLE PROJECT COSTS:

- purchase of materials and supplies
- equipment rentals
- development/building permits
- utility hook-ups
- trade/contractor fees
- public art/landscaping

Main Streets Revitalization Program **will not provide matching grant contribution reimbursements for in-kind contributions, GST, expenses paid by a source other than the applicant, costs that would fall under maintenance or costs that would fall under regular municipal infrastructure**, such as street and sidewalk paving projects. The Roblin CDC and REDP may approve all, or a portion of, or a lesser amount per project. **Program contributions are paid to the project applicant as reimbursement on submitted receipts** for approved and paid project costs. **Costs incurred before the application approval are not eligible.**

### HOW TO APPLY

For more information or to receive an application form, please contact [info@roblin.ca](mailto:info@roblin.ca) or [planning@roblin.ca](mailto:planning@roblin.ca)

### Applications should include:

- Project location, anticipated start and completion dates.
- Project description.
- Detailed cost estimates or quotes.
- Photos, images or drafts of the planned renovations.
- How the project will meet the program objective.
